Your visit to the German Bundestag;
Booking number: SYS-20260611-214020
(Please always specify when contacting us.)

Dear Ms. Qian Yang,

Thank you very much for your letter.

I am pleased to be able to grant you your request and offer you the participation in a gratis guided tour (in English) of the German Bundestag

on Thursday, 30th July 2026
from 17:00 hrs (approximately 90 minutes),
for 3 people.

Short-term changes:

As changes can occur in the parliamentary work programme, visits may be postponed or cancelled at short notice.

Dome visit:

In principle, a **visit to the dome of the Reichstag Building is included** (following the programme in the Reichstag Building). **However**, the visit to the dome **is dependent** on the **situation in Parliament** on the day, as well as on **special events** in the Reichstag Building, along with specific **weather conditions and security situations**. **A visit to the dome therefore cannot be guaranteed**. You will be informed whether the visit can go ahead upon arrival on the day.

Brochures:

The German Bundestag provides several services for foreign visitors. Please visit our website at "www.bundestag.de", "[Service](#)", "[Information Material](#)".

Access instructions:

The meeting point is the welcome centre for visitors to the Reichstag Building, which is located on Scheidemannstraße next to the

West Portal of the Reichstag Building. Guests are requested to come to the welcome centre 30 minutes before the start of the tour.

Every visitor (aged 16 or over) must carry a **valid official photo ID (identity card or passport)** with them. Young people aged 14 or 15 should carry an identification document (student ID card, passport or similar document with their name and a picture on it).

Participant data:

We have already received the list of participants for your group. This information is used for security checks upon entry and will be deleted after your visit. Please take note of the enclosed information sheet for visitors – in particular the security requirements!

Rules on entry and conduct:

The German Bundestag's [Internal Regulations and rules on entry to and conduct](#) on its premises apply in all of the Bundestag's buildings. Please be aware of [Annex 2 of these rules and regulations](#), which includes a list of **objects that may not be carried during a visit to the German Bundestag**. In addition to weapons and other dangerous objects such as knives, these also include certain tools, whistles, bottles, irritant gas or pepper sprays, and laser pointers. The documents linked to here can also be found (in German) online on the Bundestag's website under "Besuch" at www.bundestag.de/besuch/aktuelles.

During sittings, manifestations of approval or disapproval, heckling, disorderly or indecent conduct and actions likely to disrupt the business of the sittings are prohibited. This also applies to similar statements made by the wearing of clothing or accessories.

Conduct and dress must befit the dignity of the House. Express reference is made to Rule 4 of the Internal Regulations and Section IV of the Rules governing access to and conduct in Bundestag properties.

Current information:

Up-to-date information on the entry requirements that may apply on the day of the visit for a specific reason can be found (in German) online on the Bundestag's homepage under "Besuch" at www.bundestag.de/besuch/aktuelles.

I wish you an enjoyable and informative visit to the German Bundestag.

Kind regards,

Andrea Rosendahl
